Ref: LOGO DESIGN CONTEST

Date: 20/10/18

Dear students,

The Kannur Engineer's Charitable and Educational Trust ( KECET ) is a Charitable organization formed by a group of alumni from Govt College of Engineering Kannur.

This Trust is focusing on wide spread activities such as:

1. Initiate, plan and execute educational support activities to help the vulnerable section of student community who are not able to move along with the mainstream of the society due to social and economic reasons.
2. Promote industry orientation and improve employability of students of the region and work as a connecting link between businesses and students. The organization is a networking place for professionals of various areas of industry, knowledge and entrepreneurship and research.
3. Develop aptitude among students to take up relevant projects of the social and educational spaces.
4. The Trust works as a platform for the individuals and groups who want to contribute to the educational causes and moot startups and social enterprise initiatives.

As part of our activities, we are conducting a competition among students of the Govt. College of Engineering, Kannur,

TO DEVELOP A LOGO SUITABLE TO THE ORGANIZATION.

The entries may be sent to the mail id [ekannurengineers@gmail.com](mailto:ekannurengineers@gmail.com) latest by ~~25<sup>th</sup> November 2018~~ 4<sup>th</sup> December 2018.

The best entry will get a citation & cash prize of Rs. 5000.

For more information please contact the Trust
