ABOUT THE CONFERENCE

2026 IEEE 5th International Conference on Signal Processing, Informatics, Communication and Energy Systems 2026 (IEEE SPICES 2026) is a flagship conference of IEEE Kerala Section jointly organized by GCE Kannur during 9-11 October 2026. The theme of the conference is "AI, Smart Energy and Communication Technologies for Sustainable Development". It is a platform for technical exchange amongst researchers from academia, research laboratories, and industries in various emerging fields of Signal Processing, Communication, Computer Science, Energy Systems, Instrumentation & Control Systems, Robotics, IoT and Power Electronics. The technical program includes plenary sessions, keynote sessions, regular technical sessions, industry sessions, tutorials and special sessions. Conference will also feature exhibition booths from industries.

THEME

AI, Smart Energy and Communication Technologies for Sustainable Development

Tutorials

(08/10/2026)

FN SESSION

AI for Sustainable Engineering: Machine Learning and Deep Learning Applications Using MATLAB

Dhanoop K Dhanpal

Application Engineer – MathWorks Products
CoreEL Technologies Ind. Pvt. Ltd
Bangalore

AN SESSION

From LPWAN to Private 5G O-RAN Hands-On Experimentation for Next-Generation Wireless IoT A Joint Hybrid and by IICT GmbH and ICFOSS Kerala, India

Dr. -Ing. Jubin Sebastian E & Fabian Sowieja

Co-Founders & Managing Directors, IICT GmbH
(Offenburg, Germany)

Ms. Gopika T G, Mr. Manu Mohan

ICFOSS, Kerala

Plenary Speakers

(09/10/2026 & 10/10/2026)

Title: Physical AI in Engineered Systems

Dr. Souvick Chatterjee

Technical Manager
MathWorks
India

Title: Security for Networked OT-Systems
in the Era of Intelligent Cybercrime

Dr. Axel Sikora

Professor
Offenburg University
Germany

Title: AI-Driven Wireless Networks

Dr. Manoj B S

Senior Professor
IIST Trivandrum &
Distinguished Lecturer
IEEE Communications Society

Keynote Speakers

(09/10/2026 & 10/10/2026)

Title: Next Generation Communication Networks: A Technical Overview of 6G Research Items

Dr. Nishu Gupta

Assistant Professor
IIIT Lucknow
India

Title: Recent Trends in Image Generation with Diffusion Models

Dr. Pravin Nair

Assistant Professor
Department of Electrical Engineering
IIT Madras

Title: Best and Smart Practices for Authoring Technical Documents.

Dr. K.C. Raveendranathan

Retired Principal
College of Engineering
Trivandrum
India

Title: From Neurons to Agents: Navigating the Frontiers, Fallacies, and Future of AI

Dr. Sunil T T

Director ICFOSS
Kerala
India

Industry Speakers/Panel Discussion (Topic: AI, Smart Energy and Communication Technologies for Sustainable Development)

(10/10/2026 FN Session)

Dr. Souvick Chatterjee
Technical Manager
MathWorks India

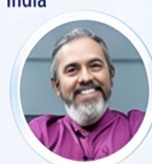

Sangeeth S Nambiar
Director Innovation and Research
Partnerships Bosch Global Software
Technologies Pvt. Ltd Bangalore, India

Reshma P.P
Director, System Design | Hardware &
Platform Architecture
Intel Corporation, Bengaluru, India

Dr. Sunil T T
Director ICFOSS
Kerala
India

Dr. Axel Sikora
Professor
Offenburg University
Germany

Conference program also includes technical paper presentation sessions on related tracks and Exhibition stalls
